THE SPIRIT OF THE WINEMAKER

A triple distilled vodka made from distilled Chardonnay grapes with a hint of peach and pepper on the palate. The Chapel Down Chardonnay Vodka has the lightest of aromas and smoothest of flavours lending itself spectacularly well to an array of serves.

Our spirits are packaged in an elegant, custom-made 70cl glass bottle which links back to the two production processes; distillation and winemaking. The bottom half of the bottle reflects a cut-glass crystal decanter and the frosted top half of the bottle denotes the classic shape of a wine bottle.
