The majority of Pinot Noir fruit is reserved for our sparkling wines, however the exceptional 2020 vintage gave near perfect conditions from which to produce a stunning single varietal rosé expression. Grapes were hand-picked and whole-bunch pressed before cool fermentation in stainless steel to preserve the natural fruit flavours.

TASTING NOTES

Chapel Down Pinot Noir Rosé 2020 is delicate wine with aromas of cranberry, citrus, and raspberry. The texture is light and almost weightless on the palate with a long, fresh finish.

SERVING SUGGESTION

The light and delicate character of this wine will make it a natural partner with shellfish.
